When a bit of sunshine hits ye,
After passing of a cloud,
When a fit of laughter gits ye
An' ye'r spine is feelin' proud,
Don't fergit to up and fling it
At a soul that's feelin' blue,
For the minit that ye sling it
It's a boomerang to you.

Never explain, your friends
don't require it, and your enemies
won't believe you anyway.

Die when I may, I want it
said of me by those who knew
me best, that I always plucked
a thistle and planted a flower,
where I thought a flower would
grow.—Abraham Lincoln.

The man who can bottle up
his wrath at all times is a
corker.

Honesty is not the best policy
—it is the only policy.

Life is the narrow vale be-
tween the cold and barren peaks
of two eternities. We strive
in vain to look beyond the
heights. We cry aloud and the
only answer is the echo of our
wailing cry. From the voice-
less lips of the unreplying dead
there comes no word; but in
the night of death, hope sees a
star, and listening love can hear
the rustle of an angel's wing.

Success comes in cans, failure
in can'ts.

Jones or Mrs. Farris," but write

ris or Miss Hattie Jones," as
the case may be, so that the
readers may know which Mr.
Smith, Mrs. Jones or Miss Far-
ris is the subject of the item,
and thus avoid confusion of
names and parties.

The Stark Year Book for 1910

is ready to mail. It will be sent to any person interested in
fruit-growing on receipt of 7 cents to cover postage. The
Stark Year Book for 1910 represents an entirely new idea in
nurserymen's literature—it is a work of art as well as a
catalogue of Stark Nursery products. Within its covers are 32 full-page illustrations of
fruits and flowers, representing 175 varieties, done in four colors, and exactly reproducing
nature. 84 pages are devoted to descriptions, prices, and records.

Stark Delicious, the apple that has revolutionized orchard planting and established a
new standard of apple values (selling at \$10.00 per bushel box this year); Stark King
David, another apple of wondrous quality and merit; Stark King Philip, a hardy black
grape of California grape quality, and dozens of the very best things in the horticultural
world are fully described, illustrated, and priced.

To any one planting one tree or many, of fruits or ornamentals, this book is of
inestimable value—a horticultural text-book—a guide to proper selection.
Stark trees have stood the supreme test of actual planting for 85 years—they are the
yard-stick by which all other nursery products are measured—they are the first choice of
this country's most successful orchardists. The success of the orchard is dependent on
the kind and quality of tree planted. Stark varieties are the best of the best. Our record
of 85 years of successful selling is a positive guarantee of tree quality.

Before you decide to buy, send 7 cents for the Stark
Year Book—do it today before the edition is exhausted.

BOAZ ITEMS.

Our school closed Friday,
March 25th. After six months
of good hard school work, the
children appreciate a vacation.
Prof. J. M. Ballard has given
as good satisfaction as is usual
and he can feel complimented,
as no teacher suits every one.
We hope it may be our lot to
have another as good.

Mr. D. C. Calhoun died Sun-
day, March 27th, of la grippe
and neuralgia of the heart. Mr.
Calhoun came here from Kan-
sas for a relief from his asth-
ma. This disease had entirely
left him. The funeral will be
held at the home, Thursday at
11 o'clock.

He was a Union soldier and
is survived by a wife and one
son, Frank Calhoun, of Kansas
City, and a step-son, C. C. Lay,
of this place.

The F. E. C. U. of A. met in
county convention at Hager-
man last week and the delegates
from this place were R. E. L.
Smith, S. O. Dial, W. C. Eaton,
Wm. H. Chapman, Miss Blanch
Burk and Mrs. Alma E. Squire.
F. M. Lins, county president,
and Mrs. T. S. Troutner, county
conductor, were also there from
here. The next meeting will be
held from 23rd to 24th of June,
1910, at Boaz.

The weather seems to have
forgotten its good behavior.

Rev. J. N. S. Webb came up
from Artesia last Sunday morn-
ing to fill his appointment here
and returned on Monday to re-
sume his studies at the Western
college.

Miss Edna Pattillo is still con-
fined to her bed, but is gaining
some in strength.

R. E. L. Smith has moved
his drilling machine to Mr. S.
L. Burns' place, near Elkins, to
make a well.

The F. E. C. U. of A. will
give a "box" social on Friday
evening, April 1st. Every one
come and have a good time.

It is reported at this place
that H. H. Goodin will soon be
the R. R. agent at Kenna.

The S. S. filled out its first
quarter last Sunday. The at-
tendance has had an average of
35 and plenty of finances. A
short programme was rendered
and the children were all given
Easter eggs.

Acme played Boaz at baseball
here Sunday. The score was
14 to 13 in favor of Boaz. We
enjoy baseball, but not on Sun-
day.

Jack Shannon and family of
Acme were visiting at Boaz
Sunday. TRACY.
